

1. Create a twitter account with the following:
  - o a profile picture of yourself
  - o your twitter handle
  - o 1-2 sentece bio about yourself
2. On twitter:
  - o follow your grader
    - Last names: A-Gonzales
      - christine twitter handle: @
    - Last names: Guevara -Zurita
      - taylor twitter handle: @
  - o follow the Everett Program (@EverettProgram)
  - o follow two labor &/or inequality focused group or/& individuals
  - o connect to RSS feed
3. On hootsuite or buffer: [after creating an account]
  - o schedule 4 tweets
    - for 2 tweets:
      - tweet about *labor/ inequality*
        - provide a title to from the link
        - have the link be shortened
    - for 1 tweet:
      - take a picture of a tech lab being taught
      - post up the picture with two hashtags describing the picture
    - for 1 tweet:
      - tweet about your favorite tech tool you have learned this far
      - this does NOT need hash tags
      - mention @EverettProgram at the end of this tweet
    - **each tweet needs:**
      - to be the optimal character length [hint see resource bar for article saying how long]
      - written to the relevant audience indicated in the desired tweets— engage your followers
      - during the optimal tweeting time [hint see resources to fine article that the exact answer to this question]
      - have all URL's shortened [using whichever method you preferred from the lesson]
      - AVOID the do not's mentioned in the prezi
  - o SEE TO DO TO ADD
  - o MAKE SURE THAT THESE SCHEDULED ITEMS ARE DONE BEFORE CLASS IS DUE NEXT THURSDAY AT 6PM!!
